## 2. Comments

2.1) In what ways did this instructor excel in teaching this course? Please be specific.

- This teacher gave time for self study and made the class comfortable enough to actually talk and ask him questions.
- Zack Bowersox was an awesome instructor in seat and during the COVID-19 (Zoom) lessons. He would make sure that everyone was on the same page and would take the time to answer anyone's questions whether that be in class or via email. He is a very knowledgeable instructor and wants to pass on information to his class. I enjoyed having Mr. Zack Bowersox as an instructor very much, we need more like him.

2.2) In what ways could this instructor improve when teaching this course? Please be specific.

- Due the classes having to be online, the classes got harder to focus on while being home and harder to communicate with the teacher during class using the microphone, having to use chat and then waiting to for the teacher to see it is troubling. But overall I really liked the class.
- None.
